

CONNECTRIA'S IBM AIX CLOUD HOSTING

Enjoy the benefits of Cloud Computing for the IBM AIX platform.

Purchase the IBM AIX capacity and support you need, when you need it, for as long as you need it - backed by Connectria's world-class 24/7 administration and support.

CONNECTRIA IBM AIX CLOUD HOSTING:

CLOUD FLEXIBILITY AND AFFORDABILITY FOR IBM POWER SYSTEMS. BACKED BY WORLD-CLASS HOSTING & EXPERT SUPPORT.

Now you can take advantage of the IBM AIX running on IBM Power Systems in the Cloud. Connectria's IBM AIX Cloud Hosting provides all the tangible benefits you'd expect in a Cloud solution, along with Connectria's expert support.

Improve the speed and agility of your business. Add workloads as your business grows. Scale your business with Connectria's IBM AIX Cloud Hosting as you need it, when you need it, for as long as you need it.

Connectria's IBM AIX Cloud Hosting

Connectria's IBM AIX Cloud Hosting utilizes IBM POWER7, POWER7+ and POWER8 systems to deliver a scalable, high-performance IBM AIX environment, with affordable pricing and a range of flexible contract options. This includes month-to-month contracts as well as discounted 1-year, 2-year and 3-year agreements.

Connectria's IBM AIX Cloud hosting solutions start with a 1/10 of a core with a 1.2 rPerf., and are capable of scaling upward according to your needs. Connectria's IBM AIX Cloud Hosting can support IBM AIX 6.1 and 7.1 environments.

(Note: If you have an older operating system version, please contact us to learn about our IBM AIX LPAR Hosting Solutions which offer many of the same benefits of our IBM AIX Cloud Hosting).

Connectria's IBM AIX Cloud supports both development and production environments and features:

- Virtual Machines running on a single POWER7, POWER7+ or a POWER8 System.
- Add processor, memory or disk capacity to any Virtual Machine as needed.
- Each virtual machine is 1/10 of a core with a 1.2 rPerf. and may scale upward according to your needs.

Choose Connectria

Connectria's IBM AIX Cloud Hosting leverages Connectria's recognized expertise in hosting hundreds of IBM AIX environments for customers around the globe for over a decade. We provide the hosting industry's most unique business model with SSAE 16 Type II audited data centers, fully customized support services for the IBM AIX, and unlimited and un-metered support at cost-effective, guaranteed monthly prices.

Founded in 1996, Connectria is a 5-time Inc. 500/5000 award winner as one of the fastest growing companies in the United States. We are a profitable provider of world-class hosting and IT Infrastructure managed services to nearly 1,000 clients in more than 30 countries throughout the world. Our customers include 3M, Anheuser-Busch, Farmers Insurance, Houghton Mifflin, Home Depot, Louis Vuitton, Paramount Studios, Pearson Education, Playtex Products, Purolator Filters, Red Lobster, Reuters, Sony, Union Pacific and UPS, among many others. Connectria is also a subcontractor to IBM Global Services for some of their largest outsourcing customers, having won four (4) IBM Beacon Awards as a top worldwide partner.

At the core of Connectria is our [No Jerks Allowed](#)[®] company philosophy. As The Jerk Free Company[®], we've established a unique culture where every individual goes "the extra mile" to take care of our customers, and we do not tolerate big egos or rude people. All of our staff members are polite and considerate to each other as well to our customers, partners and vendors. Being The Jerk Free Company[®] extends beyond our people too. We make it easy to do business with us, and we don't impose rigid policies or canned solutions on your operations. We deliver flexible solutions with straight-forward pricing to meet the unique requirements of our customers throughout the world. Our goal is to become a reliable and trusted partner for our customers by delivering the right solutions at the right price.

If you haven't heard of Connectria or haven't considered us before, then give us a call at 1-800-781-7820.
