Improve the speed and agility of your business. Add workloads as your business grows. Scale your business with Connectria's IBM i Cloud Hosting as you need it, when you need it, for as long as you need it.

### **Connectria's IBM i Cloud Hosting**

Connectria's IBM i Cloud Hosting utilizes IBM POWER7, POWER7+ and POWER8 systems to deliver a scalable, high-performance IBM i environment, with affordable pricing and a range of flexible contract options. This includes month-to-month contracts as well as discounted 1-year, 2-year and 3-year agreements.

Solutions start with a 685 CPW IBM i Cloud Server with Managed Services, and can scale up to n 60,000 CPW in a single IBM i Cloud Server. Connectria's IBM i Cloud Hosting can support IBM i V6R1 and V7R1 environments.

Note: If you have an older operating system version (such as V5R1, V5R2, V5R3 or V5R4 etc., please contact us to learn about our IBM i LPAR Hosting Solutions which offer many of the same benefits of our IBM i Cloud Hosting).

Connectria's IBM i Cloud supports both development and production environments and features:

- Virtual Machines running on a single POWER7, POWER7+, or a POWER8 System.
- Add processor, memory or disk capacity to any Virtual Machine as needed.
- Start with as a little as 685 CPW, and scale up to more than 60,000 CPW.

### Choose Connectria

Connectria's IBM i Cloud Hosting leverages Connectria's recognized expertise in hosting hundreds of IBM i environments for customers around the globe for over a decade. We provide the hosting industry's most unique business model with SSAE16 Type II audited data centers, fully customized support services for the IBM i, and unlimited and unmetered support at cost-effective, guaranteed monthly prices.

Founded in 1996, Connectria is a 5-time Inc. 500/5000 award winner as one of the fastest growing companies in the United States. We are a profitable provider of world-class hosting and IT Infrastructure managed services to nearly 1,000 clients in more than 30 countries throughout the world. Our customers include 3M, Anheuser-Busch, Farmers Insurance, Houghton Mifflin, Home Depot, Louis Vuitton, Paramount Studios, Pearson Education, Playtex Products, Purolator Filters, Red Lobster, Reuters, Sony, Union Pacific and UPS, among many others. Connectria is also a subcontractor to IBM Global Services for some of their largest outsourcing customers, having won four (4) IBM Beacon Awards as a top worldwide partner.

At the core of Connectria is our [No Jerks Allowed](#)<sup>®</sup> company philosophy. As The Jerk Free Company<sup>®</sup>, we've established a unique culture where every individual goes "the extra mile" to take care of our customers, and we do not tolerate big egos or rude people. All of our staff members are polite and considerate to each other as well to our customers, partners and vendors. Being The Jerk Free Company<sup>®</sup> extends beyond our people too. We make it easy to do business with us, and we don't impose rigid policies or canned solutions on your operations. We deliver flexible solutions with straight-forward pricing to meet the unique requirements of our customers throughout the world. Our goal is to become a reliable and trusted partner for our customers by delivering the right solutions at the right price.

If you haven't heard of Connectria or haven't considered us before, then give us a call at 1-800-781-7820.

All Cloud Virtual Machines Run On Standalone IBM POWER7, POWER7+ or POWER8 Servers
